Tournament Format & Rules:

- 4-person round robin brackets will be used wherever possible. Any 2-person bracket will be best out of three matches.
- Wrestlers will stay in their age and grade divisions, unless moving up a division with parental permission.
- List the wrestler's weight as close as possible. Tentative brackets will be established prior to the tournament based on weight, grade level, and rating. We hope to keep variation in weight to a minimum.
- Participants from the same town/club will be placed in different brackets when possible.
- Matches will consist of three 1-minute periods (Grades 7-8 will be 2-1-1). Ties will be broken by 1-minute sudden victory. Match will be called a draw if still tied after the sudden victory period.
- IHSAA rules will be used and all decisions of the officials are final.
- Head Gear is optional. (Recommended)
- For safety and viewing, only one adult per wrestler will be allowed mat side.
- Anybody causing trouble or damage to the school or any property will be required to leave. You are responsible for your own equipment and valuables. ANY wrestlers causing trouble will be disqualified and forfeit any matches and awards.
