THE PREDICAMENT'S 2017 ACADEMIC ALL-STATE TEAMS

We have always felt that in order for an individual to excel in the sport of wrestling, intelligence, quickness, balance and strength are necessary ingredients. Combine those ingredients with a great work ethic, an excellent attitude and a big heart, and you have our The Predicament’s 2017 Academic All-State wrestlers.

The Predicament announces it’s selection of Iowa High School wrestlers named to The Predicament’s 2017 Academic All-State Team. The teams are selected, based on excellence in the classroom and on the wrestling mat.

There were over 125 wrestlers nominated for the Academic All-State Teams this year, with just 42 of them selected to the First, Second or Honorable Mention Teams. The average GPA of the 42 student-athletes chosen was 3.95 based on 54.0 scale. There are seven State Champions and 32 State place finishers on the teams.
